(Hank Williams)

There's a singing waterfall in the mountains far away  
That's where I long to be at the close of every day  
That's where my sweetheart's sleeping beneath the  
cold, cold clay  
And I often sit and wonder why the Lord took her away.

We met there every evening as the sun was sinking low  
And listened to the water as it rippled soft and low  
But since she's gone to heaven I miss her most of all  
Tonight my darling's sleeping by the singing waterfall.

--- Instrumental ---

Last night as I lay dreaming I heard my darling call  
And then I went to meet her by the singing waterfall  
She took me in her arms just like she used to do  
And then I heard her whisper we'll meet beyond the  
blue.

We sat there every evening as the sun was sinking low  
And listened to the water as it rippled soft and low  
But since she's gone to heaven I miss her most of all  
Tonight my darling's sleeping by the singing waterfall...
