I'll pretend I'm free from sorrow make believe that  
wrong is right  
Your wedding day will be tomorrow but there'll be no  
teardrops tonight  
Why oh why should you desert me are you doing it for  
spite  
If you only wanted to hurt me then there'll be no  
teardrops tonight  
[ guitar - piano ]  
I'll believe that you still love me when you wear your veil  
of white  
But you think that you're above me oh there'll be no  
teardrops tonight  
Shame oh shame for what you're doing other's arms  
will hold you tight  
You don't care whose life you ruin but there'll be no  
teardrops tonight
