(Bobby Braddock)

They're gonna have me committed  
To that big white house on the outskirts of the city  
I'll go brur all day long until my mind is gone  
They're gonna have me committed.

I dropped by the nut house today  
I asked em to admit me right away  
When I showed 'em a picture of you they believed it  
must be true  
That I'm crazy to have let you get away.

They're gonna have me committed  
My Jacket will be straight and custom fitted  
I'll imagine crawling ants and big purple elephants  
They're gonna have me committed.

--- Instrumental ---

With tears in my eyes I told them  
How wonderful and sweet she'd always been  
When I showed 'em a photograph of the hag they  
caught me with  
The little white suited men came charging in.

They're gonna have me committed  
To that big white house on the outskirts of the city  
I'll go brur all day long until my mind is gone  
They're gonna have me committed.

Please let me know if you should want me back  
I'll be back in your arms in no time flat  
I'll discard my paper doll tear the pattern of the wall  
Cause I'm crazy over you and that's a fact.

They're gonna have me committed  
To that big white house on the outskirts of the city  
I'll go brur all day long until my mind is gone  
They're gonna have me committed...
