(Red Hayes - Rosalie Allen Gilber)

Tomorrow's just another day to wish you hadn't gone
away
Tomorrow's just another day to cry
Tomorrow I'll be twice as blue because I'm still in love
with you
And I'll love you till the day I die.

I tried my best to hold you from the very start
I cried the day you told me we would have to part
Tomorrow's just another day to wish you hadn't gone
away
Tomorrow's just another day to cry.

--- Instrumental ---

Tomorrow's just another day to wish you hadn't gone
away
Tomorrow's just another day to cry
Tomorrow I'll be twice as blue because I'm still in love
with you
And I'll love you till the day I die.

I tried my best to hold you from the very start
I cried the day you told me we would have to part
Tomorrow's just another day to wish you hadn't gone
away
Tomorrow's just another day to cry...
