(Boudeleaux - Felice Bryant)

Chorus:

Where did the sunshine go?
Why is it raining so?
Where is the love I used to know?
Where did the sunshine go?
Where did the sunshine go?
Why do the cold winds blow?
Where is the one I needed so?
Where did the sunshine go?

I discovered the sunshine
In a woman's loving smile
Like a fool I thought the sun was here to stay
Then she fell for another
And the sun went out of style
And the springtime vanished when she went away.

Chorus:

Where did the sunshine go?
Why is it raining so?
Where is the love I used to know?
Where did the sunshine go?
Where did the sunshine go?
Why do the cold winds blow?
Where is the one I needed so?
Where did the sunshine go?

Now there's nothing but heartaches, in the whole wide
longing earth
Any-way, my blue world looks that way to me
Gone is all of the sunshine and the smile that gave it
birth
Leaving nothing but a cold, cold misery.

Chorus:

Where did the sunshine go?
Why is it raining so?
Where is the love I used to know?
Where did the sunshine go?

Where did the sunshine go?
Why do the cold winds blow?
Where is the one I needed so?
Where did the sunshine go?...
