(Willie Nelson)

Today, I stood across the street and watched you leave  
with him  
Right before my disbelieving eyes  
And when you saw me standing there you turned the  
other way  
You wouldn't cross the street to say goodbye.

Once you said you'd do most anything to keep our love  
You'd tear out your tongue before you'd tell me lies  
Once you said you'd go to any lengths to be with me  
But you wouldn't cross the street to say goodbye.

--- Instrumental ---

Once you said you'd do most anything to keep our love  
You'd tear out your tongue before you'd tell me lies  
Once you said you'd crawl on hands and knees to be  
with me  
But you wouldn't cross the street to say goodbye...
