Ah, ah, ah...

Down in the jungle where no one goes
Oh, there's a dance that no one knows
The name is called the Bongo Stomp
Oh, oh, oh, oh, follow me
And do the Hop

Right leg up and shake it around
Now stomp
Left leg up, now bring it down
Now stomp

Natives come from far and near
Oh, all the jungle's stomping here
Listen while I sing this song
Oh, oh, oh, oh, come on in
And stomp along

Right leg up and shake it around
Now stomp
Left leg up, now bring it down
And stomp

Oh, oh, oh...

Now that you have learned the best
Oh, you will want to know the rest
Here's a dance completely new
Oh, oh, oh, oh, get someone
To stomp with new

Oh, oh, oh...
Now, Bongo Stomp
Oh, yes, the Bongo Stomp
