Comes a time for tears in the dark,
No need to fake it.
Yesterday her eyes were shining stars,
I know she'll make it.

She's alright,
She's alright, now.
Flying over mountains,
Coming through the clouds.
She's alright,
Like an eagle in the wind.
I know she's gonna make it through,
Cause she's got true blue friends.

Even when the rain is falling hard,
She will find cover.
Even though she aches to the heart,
She knows we love her.

She's alright,
She's alright, now.
Flying over mountains,
Coming through the clouds.
She's alright,
Like an eagle in the wind.
I know she's gonna make it through,
Cause she's got true blue friends.

She's alright,
She's alright, now.
Flying over mountains,
Coming through the clouds.
She's alright,
Like an eagle in the wind.
I know she's gonna make it through,
Cause she's got true blue friends.

She's alright,
She's alright, now.
Flying over mountains,
Coming through the clouds.
She's alright,

Like an eagle in the wind.
I know she's gonna make it through,
Cause she's got true blue friends.
True blue friends.
