Whoa oh, help me somebody, whoa

Have you ever, had the blues

Whoa oh ohh, I'm talkin' to the preacher

I thought you're going to Sunday school

He said that he was tryin' to teach you

All about the golden rules

He said if I ever left you

I sure would be a fool

I keep on lovin' you, baby

I forget all about the golden rules

Everybody knows

Every, everybody knows about my good thing

Oh yeah

I'm gonna keep on lovin' you, baby

I'm gonna keep on lovin' you, as long

As long as the stars shine, and everything, ow!

I'm talkin' about my good thing, ow!

I can't turn it loose

I'm talkin' about my good thing

I just won't leave my baby alone

Lord knows, I keep havin' to save my doggone life

Lord I'm talking about my good thing

I... I'm talking about my good thing

I hope somebody here knows what I'm talking about
tonight

Mmm, hmmm, I've got it, I got it, I've got it

Talkin' about my good thing, yeah ha!
