Shoulder to shoulder  
Amused but not advanced  
He, she, you, me  
It's all just circumstance

Equal, hopeful  
Content to play the friend  
Timid advances  
With mutual regret

She can always be wrong  
He can always be right  
Not a matter of choice  
Just a matter of time  
Till they know where they stand  
Once they've reached the end

Awkward choices  
With smiles from ear to ear  
A faded union  
That won't survive the year

Timeless series  
Of blameless accidents  
Oh, the stubborn cycle  
Of inherited mistakes

She can always be wrong  
He can always be right  
Not a matter of choice  
Just a matter of time  
Till they know where they stand  
Once they've reached the end

And I'll play mine where I place my trust  
When the desert ends I'll ask the dust  
I'll play mine where I place my trust  
When the desert ends I'll ask the dust
