You told me, baby
Once upon a time
If I'd be yours
Little girl, you'd be mine
And that's alright

I know you love some other man
But that's alright
Well now then, I wonder
Who's lovin' you tonight

You told me, baby
Your love for me was strong
But I woke up this morning
Your big words was gone
But that's alright

I know you love some other man
But that's alright
Well now then, I wonder
Who's lovin' you tonight

When I was lovin' you
Just couldn't understand
Now you've gone and left me
For some other man
That's alright

I know you love some other man
But that's alright
Well now then, I wonder
Who's lovin' you tonight
