All around the world  
Rock and roll is on its way  
All around the world  
Rock and roll is on its way  
You can hear those jukebox jumpin'  
All night and all through the day

They do the Baja  
That takes his ha ha  
Shim, sham, shimmy  
And they never, never stop

All around the world  
Rock and roll is on its way  
You can hear those jukebox jumpin'  
All night and all through the day

They never know time for romance  
They only wanna dance  
People all holla when they hit that floor  
Go, cat, go

All around the world  
Rock and roll is on its way  
You can hear those jukebox jumpin'  
All night and all through the day

They never know time for romance  
They only wanna dance  
People all holla when they hit that floor  
Go, cat, go

All around the world  
Rock and roll is on its way  
You can hear those jukebox jumpin'  
All night and all through the day

They never know time for romance  
They only wanna dance  
People all holla when they hit that floor  
Go, cat, go

All around the world  
Rock and roll is on its way  
You can hear those jukebox jumpin'  
All night and all through the day
