NO MORE TEARS
WRITER BEEB BIRTLES

Sleeping through the night and being happy in the day,
I don't want - no more tears, thinking 'bough those
sleepless nights and whether I was wrong or right,
don't want - no more tears, feeling sentimental never
got me nowhere, holding on to trouble left me pulling
at thin air, listen to me woman when I tell you I don't
want - no more tears. We could never work it out, it
really broke my heart, I don't want - no more tears,
every word was second-hand, delivered by the middle
man, don't want his ideas, all my friends and
neighbors wanted to get involved, throwing me
suggestions, trying to get the problem solved, listen to
me woman I tell you I don't want. Bad dreams, in the
middle of the night, I can't sleep for fear of losing
sight, in my heart I still feel pain, whoa, whoa, and my
pride has taken second place, 'cause I've tried to see
you face to face, I don't mind this waiting game, it's all
the same, I think I'll be moving on with my life. I'm
feeling so much different now, I've mellowed with the
years, I don't want - no more tears, I only hope for you
to find this happiness, this peace of mind, don't want -
no more tears, every now and then you find a place on
my prayers, I have no regrets for what we had and
what we shared, listen to me woman, I tell you I don't
want - no more tears, no more tears, no more tears, no
more tears, no more tears.
