STATUE OF LIBERTY

WRITER GLENN SHORROCK

Give me your hungry, give me your tired, give me your
homeless, give me your wanderers, Statue of Liberty,
standing in the harbour, this is America, we try a little
harder. Oh, this is America, ah. We set the standards
and everyone will follow, we've got our own values, but
they're built on the dollar, Statue of Liberty, standing in
the harbour, this is America, we try a little harder. Oh,
but now it's tumbling, fakin', quakin', tremblin' on it's
own foundation, there's been so many warnings, too
late the old lady's fallin', the only thing to do is to get
out of the way, anything can happen in the U. S. of A.
ain't no use anymore in tryin' harder, Statue of Liberty
sinkin' in the harbour. You can be a millionaire by
steppin' on the needy, words of equality, but they're
written for the greedy, Statue of Liberty, yeah, yeah,
standing in the harbour, this is America, we try a little
harder. Oh, this is America, ah. Give me your hungry,
give me your tired. give me your homeless, give me
your wanderers. Give me your hungry, give me your
tired. give me your homeless, give me your wanderers.
