Baby, I love you
And you know my love is true
Swim the ocean, gonna fight a tiger
Do anything for you

It's alright, don't you know it's alright?
Each and every day
You can hear me say
It's alright, oh yeah

You've been so good to me, yeah, yeah
And I love your lovely way
I'm moving mountain, gonna stop an airplane
Do anything you say

It's alright, don't you know it's alright?
Each and every day
You can hear me say
It's alright

Baby, baby, baby, it's alright
Don't you know it's alright, oh yeah?
History's alright, don't you know it's alright?
Baby, baby, it's alright

Hey no, no, no, you've been so good to me
Yeah, yeah, yeah and I love your lovely way
I'm moving mountain, gonna stop an airplane
Do anything you say

It's alright, ooh yeah
Oh, each and every day
You can hear me say
It's alright

Well, don't you know it's alright?
It's alright, it's alright
Yeah, my, my, my, my, yeah

Don't you know it's alright?
Baby, baby, baby, baby
Baby, baby, baby, baby, baby, alright

It's alright, hey, hey, hey, hey
I've been missing you so long
But we about together, baby
And I know it's alright

Don't you know it's alright? Hey, yeah
It's alright, it's alright, ooh hey
Don't you know it's alright?
It's alright, it's alright
My, my, my, my yeah

Well, well, well, well, alright
I said, we're alright, we're alright, alright, alright
My, my, my, it's alright
No more fussing or fight, hey, hey, hey, hey
