Can you guess where I'm calling from?  
The Las Vegas Hilton  
I know it's hard to hear  
It's just the echo on the line

Yes, that's right I'm calling from  
The Las Vegas Hilton  
I just wanna say  
That I'm feeling fine

I'll be home on a Monday  
Somewhere around noon  
Please don't be angry  
I'll be back with you real soon

I was hoping to catch a glimpse  
Of a man from Memphis  
They told me that he had gone  
Never leaving a trace

I just could never get involved  
With those one armed bandits  
Sure am craving for  
The smile on your face

I'll be home on a Monday  
Somewhere around noon  
Please don't be angry  
I'll be back with you real soon

I'll be home on a Monday  
Somewhere around noon  
Please don't be angry  
I'll be back with you real soon, yeah

You looked so lovely  
When I left I nearly didn't go  
Twelve thousand miles is such a long way  
Help me get to grips with

Hollywood  
You're getting through to me

Hollywood  
You're in my movie

I'll be home on a Monday  
Somewhere around noon  
Please don't be angry  
I'll be back with you real soon

I'll be home on a Monday  
Somewhere around noon  
Please don't be angry  
I'll be back with you real soon

Can you guess where I'm calling from?  
Yes, that's right I'm calling from  
The Las Vegas Hilton
