Sweet Senorita
Sits in the corner on her own
She tries to smile sweetly
She's comin' on

Sit down right here
Let me buy you a drink
Take a chance, I don't want it obvious
If I had said, let's dance
Come on babe, let's dance
Why, why don't you dance?

Little Chiquita
Let me whisper in your ear
You know there ain't no lovin' sweeter
I'll say the things you long to hear

Sit down right here
Let me buy you a drink
Take a chance, I don't want it obvious
If I had said, let's dance
Come on, let's dance
Why, why, why don't we dance?

Ooh, dancin' in the moonlight
Ooh, everything was goin' so right
Like a little damsel, you got the power over me
My heart is beating faster
Are you so blind that you can't see ?

Sit down right here
Let me buy you a drink
Take a chance, I don't want it obvious
If I had said, let's dance
Ah, you better dance, come on, now
Why don't you dance?

Why, why, why, why don't you dance?
Ah, you better see me dancin'
I'm gonna do it myself I can't help it
No, I can't help it, now why don't you dance?
