NIGHT OWL

By Little River Band

There is a bar right across the street

He's got a need he just can't beat

Out on the floor he shuffles his feet away

He'll get the girl 'cause he looks so fine

He's gonna win her every time

He knows he will, he's dressed to kill, he's a night owl

(Move on, there's a howl of a night owl calling)

(To belong, she's crying in the night)

(Be strong, find the heart of a night owl falling)

Stay up till dawn, (until the night is gone)

What will become of the restless kind

Where do they go when they've done their time

Wearing their hearts out on the line for all to see

Must be gypsy in their soul

They have a need to rock and roll

They always will, they're out there still they're night
owls

(Move on, there's a howl of a night owl calling)

(To belong, she's crying in the night)

(Be strong, find the heart of a night owl falling)

Stay up till dawn, (until the night is gone)

There is a bar right across the street

He's got a need he just can't beat

Out on the floor he shuffles his feet away

He'll get the girl 'cause he looks so fine

He's gonna win (her every time)

(He knows he will, he's out there still, he's a night owl)

(Move on, there's a howl of a night owl calling)

(To belong, she's crying in the night, the night goes on
and on)

(Be strong, find the heart of a night owl falling)

Stay up till dawn, until the night is gone
