Where did the girls go?  
Where are they now?  
I'm gonna find them  
Someday, somehow

I wanna know  
I wanna know  
Was it really that long ago?  
Has it really disappeared, is it gone?  
How come I feel it rolling on and on?

I wanna know  
Won't somebody say  
How could it be a part of yesterday?  
How could the magic disappear and be gone?  
Like Crystal, Ronette and Chiffon

I hear the music and it sounds so great  
Could it be that I was born too late?  
Cause I can feel it, feel it all around  
It's like I'm living in a wall of sound

I wanna know  
I wanna know  
Am I just living in the afterglow?  
I hear their songs and see them standing there  
I guess it's crazy, hey but I don't care

I wanna know  
I wanna know  
Must be a reason why I love them so  
It's like a rainbow that I'm riding on  
With Crystal, Ronette and Chiffon

Where did the girls go?  
Where did they run?  
I wanna tell them  
They're still, they're still number one

I wanna know  
How can I travel back to long ago?  
Back to the place I know it all goes wrong

To Crystal, Ronette and Chiffon, sweet Chiffon
