The worse he treats me  
The more he loves me  
It sounds unusual I know  
But when he hurts me  
That's how he tells me  
That he would never let me go

I buy him presents  
That's when he beats me  
He doesn't mean it to be cruel  
I know he needs me  
He knows Karate  
It's(karate yell)  
And I'm his fool

He doesn't talk of love  
Or sunshine, or flowers, or birds  
But when we're home alone together  
One slap is worth ten thousand words

The worse he treats me  
The more he loves me  
Well that's a fair exchange I guess  
But I'm still prayin'  
He won't stop slugin'  
Cuz that would mean he'd love me less

He doesn't talk of love  
Or sunshine, or flowers, or birds  
But when we're home alone together  
One slap is worth ten thousand words

The worse he treats me  
The more he loves me  
The worse he treats me  
The more he loves me  
The worse he treats me  
The more he loves me
