I can't believe it!  
It couldn't be happening!  
Pinch me girls!  
It couldn't be happening!  
All of a sudden success coming out of the blue!

I put a sign up  
Right in the front window  
An advertisement  
Right in the front window  
Stop in and see the amazing new plant "Audrey II"

And the really remarkable thing is that people they do

Seymour, that twerp of a clutz,  
Finally did something right  
Audrey II drives him nuts  
What a blessing this wonderful plant should exist  
And should rake in the bucks for me hand over fist!

"How'd I do?"

"Who'da believed it?"

One day he pushed a broom  
Nothing in his news but gloom and doom  
Then he lit a fuse and give him room  
Stand aside watch that mothah blow  
Explosion! Bang! Kerboom!  
Don't it go to show ya never know?

Seymour was in a funk  
He was number zero  
Who'da thunk he'd become a hero?

Just a punk, he was a forgotten so-and-so  
Then one day-Crash! Kerplunk!  
Don't it go to show ya never know?

All the world used to screw him  
Biff-wham-pow! Now they interview him  
And they clamor to put his remarks

On the air  
All the world used to hate him  
Now they're startin' t'appreciate him  
All because of that strange little plant  
Over there

Observe him! Here's a chap  
Everything is landing in his lap  
(I just cut my hand and in a snap  
Something out of Edgar Allen Poe has happened) Zam!  
Kazap!  
Don't it go to show ya never know?

One day you're slinging hash  
Feeling so rejected  
Lightning flash, you get resurrected  
Make a splash-now you rate the big  
Bravissimo  
And with a thunderclash-  
Crash kerplunk, bam kerboom,  
Zang kazunk, zam kazoom  
Zowee powee holy cow he  
Ordered up a rainbow to go  
Wow! Pow! Lookout below!  
Don't it go to show ya never know?
