We left Texas on a windy night
In a beat up Chevy van
Loaded it up with our innocent dreams
And all the love we had

We didn't know then how hard it was
Livin' on our own
I'd find her cryin' late at night
Talkin' to the folks back home
I wonder what went wrong
And where is she now I'd love to know

I bet Amy's back in Austin
Workin' at the La Zona Rosa Cafe
I remember the night we lost it
And the day she went away

Was it the angry words or did she miss her mamma
I don't know but it don't feel right
I bet Amy's back in Austin
And I'm missin' her tonight

Workin' ten hours in a West Coast sun
Can make the days so long
And watchin' the moon crashin' into the ocean
Alone sure gets old
I remember how sweet it was
Where is she now I need to know

I bet Amy's back in Austin
Workin' at the La Zona Rosa Cafe
I remember the night we lost it
And the day she went away

Was it the angry words or did she miss her mamma
I don't know but it don't feel right
I bet Amy's back in Austin
And I'm missin' her tonight

Could this desert wind
Carry me back again
With my heart in my hand

Baby, baby I'm missin' you

Was it the angry words or did she miss her momma
I don't know but it don't feel right
I bet Amy's back in Austin
And I'm missin' her, missin' her tonight

Oh, I bet Amy's back in Austin
I bet Amy's back in Austin
I bet Amy's back in Austin
I bet Amy's back in Austin

I bet Amy's back in Austin
I bet Amy's back in Austin
I bet Amy's back in Austin
