It's only been a week but I ain't had no sleep  
Since you've been gone  
Thought I was strong enough to take it  
But I'm too weak to make it on my own

I still curse the day, I let you walk away  
That's right where I went wrong  
Well, I'm losin' sanity, I made a fool of me  
Now you're gone

There's got to be a better way  
To lose my mind  
Than to sit here thinkin' about you  
All the time

Listenin' to these sad, sad songs  
Mixin' memories with old forgotten wine  
There's got to be a better way  
To lose my mind

I could paint circles  
'Round the rainbows in the sky  
And I could wipe away  
The shadows of doubt weepin' in your eyes

I could even walk on water  
And soar were eagles dare to fly, dare to fly  
Or go bathin' in the beauty of my sorrows  
On an early mornin' high

There's got to be a better way  
To lose my mind  
Than to sit here thinkin' about you  
All the time

And listenin' to these sad, sad songs  
Mixin' memories with old forgotten wine  
There's got to be a better way  
To lose my mind

Said, listenin' to these sad, sad songs  
Mixin' memories with old forgotten wine

There's got to be a better way  
To lose my mind

There's got to be a better way  
To lose my mind
