Little Village

Don't bug me when I'm working,
I'm working, I'm working
Don't bug me when I'm working
Got a job to do
Don't bug me when I'm working
I'm working, I'm working.
Don't bug me when I'm working
I don't work for you
If you bug me at work
I can't get it done
Too tired, baby,
To have any fun
You got complaints, better keep 'em hid
Don't come 'round here mess with the kid
Don't bug me when I'm sleepin'
I'm sleepin', I'm sleepin'
Don't bug me when I'm sleepin'
'Cause I need my rest
Don't bug me when I'm
Don't bug me when I'm
Got to buzz awhile
I said don't bug me when I'm working
I'm working, I'm working
don't bug me when I'm working
Got a job to do
Don't bug me when I'm sleepin'
I'm sleepin', I'm sleepin',
Don't bug me when I'm sleepin'
Got work to do
Now you bug me at home
When I'm tired and beat
Can't even stand on my own two feet
You call on the phone, you make me uptight
And I can't even work with my baby at night
Don't bug me when I'm working
I'm working, I'm working
Don't bug me when I'm working
Got a job to do
Don't bug me when I'm working,

I'm working, I'm working
Don't bug me when I'm working
I don't work for you
Don't bug me
'Cause I don't work for you
Don't bug me
Mister I don't work for you
Don't bug me, don't bug me
'Cause I don't work for you
Don't bug me, don't bug me
'Cause I don't work for you
At the sound of the tone
Better hang up the phone
If you want to be my friend
Don't bug me when I'm workin
