I've seen a lot of places,
I've been around the world.
I've seen some pretty faces,
Been with some beautiful girls.
After all I've witnessed,
One thing still amazes me,
Just like a miracle,
You have to see to believe.

'Cause God blessed Texas
With His own hand.
Brought down angels
From the promised land.
He gave them a place
Where they could dance.
If you wanna see heaven, brother,
Here's your chance.
'Cause I've been sent
To spread the message:
God blessed Texas.

First He lit the sunshine,
Then He made the water deep.
Then He gave us moonlight
For all the world to see.
Well, everybody knows
That the Lord works in mysterious ways.
He took a rest,
Then on the very next day

God blessed Texas
With His own hand.
Brought down angels
From the promised land.
He gave them a place
Where they could dance.
If you wanna see heaven, brother,
Here's your chance.
'Cause I've been sent
To spread the message:
God blessed Texas.

God blessed Texas
With His own hand.
Brought down angels
From the promised land.
He gave them a place
Where they could dance.
If you wanna see heaven, brother,
Here's your chance.
'Cause I've been sent
To spread the message:
God blessed Texas.
Mmm-mmm.
I've been sent
To spread the message:
God blessed Texas.
