If I don't get enough of you
I can't think, I can't sleep
If I don't get enough of you
I can't eat, I get weak

Without you there to hold me tight
Well, I can't make it through the night
I don't know what I'm gonna do
If I don't get enough of you

If I don't get enough of you
I don't act like I should
If I don't get enough of you
It's a fact, I'm no good

I'm bringing everybody down
I ain't no fun to be around
I don't like the man I turn into
If I don't get enough of you

You've done something to me
It just took one touch
Your love goes right through me
And I can't get too much

If I don't get enough of you
Get my time, get my share
If I don't get enough of you
Seems like life just ain't fair

Why should I have to do without?
You're all I ever think about
Nothing else is gonna do
If I don't get enough of you

You've done something to me
It just took one touch
Your love goes right through me
And I can't get too much

If I don't get enough of you
I can't think, I can't sleep

If I don't get enough of you
I can't eat, I get weak

Without you there to hold me tight
Well, I can't make it through the night
I don't know what I'm gonna do
If I don't get enough of you
You know I don't know what I'm gonna do
If I don't get enough of you
