This old town's been home as long as I can remember
This town's gonna be here long after I'm gone
Here we all work hard and we stick together
We've been down, but we still go on
Oh and

This town is my town and it's all right
Love or hate her, it don't matter
'Cause I'm gonna stand and fight

This town is my town
She got her ups and downs
But love or hate her, it don't matter
'Cause this is my town

This old town is where I learned about lovin'
This old town is where I learned to hate
This town, buddy, has done it's share of struggling
This town taught me that it's never too late
Oh and

This town is my town and it's all right
Love or hate her, it don't matter
'Cause I'm gonna stand and fight

This town is my town
She got her ups and downs
But love or hate her, it don't matter
'Cause this is my town

This town is my town and it's all right
Love or hate her, it don't matter
'Cause I'm gonna stand and fight

This town is my town
She got her ups and downs
But love or hate her, it don't matter
'Cause this is my town

This town is my town and it's all right
Love or hate her, it don't matter
'Cause I'm gonna stand and fight

This town is my town
She got her ups and downs
But love or hate her, it don't matter
'Cause this is my town

Oh, yeah, 'cause this is my town
This is my town
Oh, yeah, it's all right
This is my town
This is my town

Oh, yeah, 'cause this is my town
This is my town
Oh, yeah, 'cause this is my town
