(I'm a little yellow fish, yellow fish...)
(I'm a little yellow fish, yellow fish...)

IÂ'm a little yellow fish in the deep blue sea
Will somebody help me
IÂ'm a little yellow fish in the deep blue sea
Will somebody save me

Do you wanna know how living is beneath the waves?
Do you wanna know how everything I knew was
changed?

It wasn't such a big commotion
Ill you need is magic potion
With a wriggle, a twist
a splash and a splish
you'r a fish
Help Me..!

IÂ'm a little yellow fish in the deep blue sea
Will somebody help me
IÂ'm a little yellow fish in the deep blue sea
Will somebody save me

Do you wanna take a whalebus- wanna meet a stupid
shark?
Do you wanna ride a seahorse or hide in an oyster
park?

It was'nt such a big commotion
All you need is magic potion
With a wriggle, a twist
a splash and a splish
youÂ're a fish
Help me..!

IÂ'm a little yellow fish in the deep blue sea
Will somebody help me
IÂ'm a little yellow fish in the deep blue sea
Will somebody save me

Help me, help me

i need a remedy
help me, help me
(repeat x 2)

Life is strange at the bottom of the ocean
You won't believe the things you see
Stay ashore, don't give in to notions
If you don't wanna be like me....

I'm a little yellow fish in the deep blue sea
Will somebody help me
I'm a little yellow fish in the deep blue sea
Will somebody save me
