You jump, jump, here
You jump, jump, there
You jump, jump, jump
E'rywhere

Then you mellow down, eee-easy
Mellow down, eee-easy
You mellow down, easy
When you really wanna blow your top

You shake, shake, here
A-you shake, shake, there
A-you shake, shake, shake
E'rywhere

Then you mellow down, eee-easy
Mellow down, eee-easy
You mellow down, easy
When you really wanna blow your top

(harmonica & instrumental)

'Blow!'

You wiggle, wiggle, here
An you wiggle, wiggle, there
Well, you wiggle, wiggle, wiggle
E'rywhere

Then you mellow down, eee-easy
Mellow down, eee-easy
You mellow down, easy
When you really wanna blow your top.

'Blow!'

(harmonica & instrumental to end)
