Yo' baby ain't sweet like mine
She do the right thing ev'r time
She needs me, she please me
All day long she hug an
An' she leads me

Yo' baby ain't sweet like mine
She really love me all the time
She clothes me, she boards me
All day long she kiss and she hug me

Yo' baby ain't sweet like mine

(harmonica & instrumental)

She makes me feel so good and kind

When I'm lonesome, when I'm blue
My baby knows just what to do

Yo' baby ain't
Yo' baby ain't sweet like mine

She do the right thing
Do the right thing, all the time

FADES:

Whoa-ooh-ooh, yo' baby.
