Oh, baby
You gonna miss me when I'm gone
Oh, baby
You gonna miss me when I'm gone
I thought you was my baby
And you would always be my friend

Oh, baby
I feel tears comin' in my eyes
Baby
I feel tears comin' in my eyes
If I don't leave now, baby
I'm goin' to break down an cry-i

(harmonica & instrumental)

Oh, baby
I'll never trust your love, again
Oh, baby
I'll never trust your love, again
Well, you said you'd be my honey
My sweetheat until the end

Got my heart a-achin'
'Cause I love you, so
Things you puttin' down
I can't stand no mo'

Oooh-oooh-oh
Gonna miss me when I'm gone
Oh, baby
You gonna miss me, when I'm gone

Oh, baby
You gonna miss me when I'm gone.
