Last night,  
I lost the best friend I ever had  
Last night,  
I lost the best friend I ever had  
Now you've gone and left me,  
you know that's gonna hurt me so

I have blues with a feelin',  
that's one thing I can't describe  
I have blues with a feelin',  
that's one thing I can't describe  
Well you was my first girl,  
and you should-a have been my wife

I want you to call me tomorrow,  
baby, and tell me what's goin' on wrong  
I want you to call me tomorrow,  
and tell me what's goin' on wrong  
I wonder why did you leave me,  
baby, please come on back home

I'm in love with you baby,  
and I don't care what the people say  
I'm in love with you baby,  
and I don't care what the people say  
Well I want you I need you baby,  
if you want to have your way
