Take me back, baby
Baby, try me one mo' time
Take me back, baby
Baby, try me one mo' time
You know I love you, baby
And I'll just keep on hangin' around

In love wit' ya' baby
Before I learned to call yo' name
I was in love wit' ya' baby
Before I learned to call yo' name
Now, I am sorry we can't get together
I'm a fool, I don't understand

(harmonica & instrumental)

No matter where I go
I can't get you off-a my mind
No matter where I go
Can't get you outta my mind
Now, an you keep me worried and bothered
Stay cool all the time

(harmonica & instrumental)

So goodbye, baby
Baby, if you call it gone
So goodbye, baby-hey
Baby, if you call it gone
I know it's goin' to worry
Hope it don't last too long
