Intro chorus:
(My love, my love, take my love)

Take my love
I wanna give it all to you
You can, you can, you can
Take my lips (take my lips, take my lips, take my lips)
Oh, take my arms, too (take my arms, too, take my
arms)
My love is your love
Darling, no one else will do (so, oh)

Ooh-ooh-whoa
Take my hand
(Babe, I believe yeah, really I believe, yeah)
I need you when the day is through
(Babe, I believe yeah, really I believe yeah)
Take my dreams
(Babe, I believe yeah, really I believe yeah)
An' make them all come true
(Babe, I believe yeah, really I believe yeah)
Nothing matters, yeah (oh, oh-oh)
If I can't have you (babe I believe ya)

I really love a-you (love you)
An-a babe you love me, too (me too)
So darling, believe in me (in me)
For my love, you know is true
(Da-da, da-da, da-da)

So, take my heart (soul, soul, soul, soul)
Take my very soul (soul, soul, soul, soul)
Take-a my arm, yeah (arm, arm, arm, arm)
For which I've no control (control, control, control)

My-i life, my lovin' soul
Never let it run cold (a-oh, a-oh)

(Instrumental & guitar & chorus)

Aaah, Aaah, Aaah, Aaah
Unk. spoken: 'B'
Aaah, Aaah, Aaah, Aaah

I really love you (love you)
An' I believe you love me, too (me, too)
So darlin' believe in me (in me)
For you know my love is true
(Da-da, da-da, da-da, da-da)

Take my heart (take my heart, this heart, this heart)
Oh, take my very soul (this soul, this soul, this soul)
You can take my arms (these arms, these arms, these
arms)
For which I've no control (no control, no control)
My life, my love is your love
Never let it run cold (cold, cold, cold)

My-i life, my love is your love
Darlin', never let it run cold (cold, cold, cold)

My-i life, is your life
Never let it run cold

FADES-
Ooh-oh my life, my life, my life
Is your love
Never let it run a-cold.
