### "The Rarest Flower"

Run, run through your life  
And have fun  
Olive-green rainbows above you

Loving is easy  
Myriads of chances to go  
So much to see

Slide, slide through a pinhole of gold  
But don't spread your wings it's a no-jump

Loving is easy  
When leaving is easy  
The rarest flower is easily picked  
But it withers always

Grow and outlive your mistakes  
We all hope for a milder fate

Loving is easy  
But don't justify greed's ways  
So much we want

Then our world falls asleep  
At the end of the day  
But what is too much will decay

And loosing is easy  
When taking is easy  
The rarest flower is easily owned  
But it always withers

Running through your life  
All is moving fast  
Run for fun  
Pick the flowers  
Grab the flowers oh

Sliding through time  
Thinking is a crime  
Pick the flowers

Pretty flowers  
Get the flowers oh

We justify greed's ways  
We play the holy game  
Musk and perfume  
Smell like fortune

We love the flowers  
Smell the flowers child
