Le piano play  
I'm doing faire de la musique  
Cheesy piano play off to the funky beat  
Le rock dosent fascinate me too much tonight  
La cocotte-minute blends my favorite notes like a  
maniac  
I'm just a maniac

Paris Paris you are my physical attraction  
My melody on the radio en direct  
Paris cherie I want your physical attraction  
La chanson make you feel plusqueparfait  
Olala the French girls

Le bass I like  
Let's go to the la boum  
Cheesy hooklines kick off to the funky beat  
This is tres tres bien for my popstyle touch  
I'm taking my melody a Paris for the maniacs  
Cause I'm a maniac
