Good girl, feel good though

Come on!

Uh

I can't stop myself this is bad, this is bad  
No control all over myself, I ain't mad, I ain't mad  
Been a long while since I can have, I can have  
Kind of love and you can't turn away and I bet

Chorus:

I bet this is just the beginning  
I feel like you got so many tricks up this lead  
You always manage to play me so crazy  
And the truth is shame on me

You got me wide open,  
Come and feel me with all of your love  
'Cause you got me wide open  
Is so good to me I can't get enough

I can't help myself it must go mad,  
Can't contain myself I don't know what have  
It's been a long while since I've been sayin  
Now I can't keep from smiling miles what and I bet

Chorus:

I bet this is just the beginning  
I feel like you got so many tricks up this lead  
You always manage to play me so crazy  
And the truth is shame on me

Hey, where did you come from baby  
And how do we get back there  
Uh I wanna say where you help from baby  
Feelin proud is like your atmosphere  
Would you let me, would you let me see  
Would you let me see,  
Would you let me, uh would you let me  
Would you let me see

Chorus:

I bet this is just the beginning  
I feel like you got so many tricks up this lead  
You always manage to play me so crazy  
And the truth is shame on me  
You got me wide open,  
Come and feel me with all of your love  
'Cause you got me wide open  
Is so good for me I can't get enough  
Enough enough enough

You got me wide open,  
Why won't you come and feel me with all of your love  
'Cause you got me wide open  
Is so good for me I can't get enough
