I couldn't see
Why you didn't want
To come home to me
I saw it in your eyes
That you were
Feeling so uneasy
Was it something
That I said that made
You say goodbye?
Only in time
I'll know why
Cause you're so gone

Cause I

Chorus:
I'm feeling lonely
Without you, yes
You've been my comfort
When I'm going through
And I've often wondered
What would I do-if
You were no longer
My tried and true

I close my eyes
In hopes
To feel you near me
My soul cries out
And reaches
For your security
I thought that love
Would make you stay
And try to work it out
Instead you chose to go
I guess I'm losing you
All over again
I don't know what to do
I needed you baby
Through and through
I said I needed you boy
My, my heart is crying

For one more chance
To be with my love
My baby

Cause I

Chorus:
I'm feeling lonely
Without you, yes
You've been my comfort
When I'm going through
And I've often wondered
What would I do-if
You were no longer
My tried and true

I'm feelin'
Lonely, lonely
Sometimes
I can't leave, baby
No I can't
Sometimes
I'm telling you
I can't sleep
Without you
Holding me at night
Cause I'm feelin
(I'm feelin
Lonely, lonely) (x2)

I'm feelin'
Lonely, lonely
