when I was her and she was me
we got along till we became ourselves
when she was me and I was her
we got along till we became ourselves
and trampled in this rut divide our stuff,
we're breaking up

.
you can't believe
how much pain callin'
my mama everyday
when i calmed down and saw the sun
put down the bottle, put down the gun
i've had enough,
divide our stuff we're breaking up

.
we're breakin' up!
cheetah?
we're breakin' up!
cheetah?
