My brother kicked his feet to sleep  
My brother kicked his feet to sleep  
My brother kicked his feet to sleep and I sang the dirge  
song  
My brother never missed a beat  
My brother kicked his feet to sleep  
My brother kicked his feet to sleep and I sang the dirge  
song

My brother kicked his feet to sleep  
My brother kicked his feet to sleep, sweet feet  
My brother kicked his feet to sleep and I sang the dirge  
song  
Angel, don't you have some bagels in my oven?  
Lady, don't you know a man when you see one?  
Crazy lady now, with the shiny shoes, where are you?  
Kick your feet and calm the space that makes you  
hallow

Little Swami's got his bowl to eat  
Little Swami always walks his beat, sweet feet  
Little Swami's got his bowl to eat and I sing the dirge  
song  
It's amazing how they come to see the Little Swami with  
his bowl to eat, sweet feet  
The Little Swami only wears a sheet and won't sing the  
dirge song  
Angel, don't you have some bagels in my oven?  
Lady, don't you know a man when you see one?  
Crazy lady now, with the shiny shoes, where are you?  
Kick your feet and calm the space that makes you  
hallow, hallow now, hallow  
Anal, tight-assed soldier with that dogged heart, put  
down your gun  
We are ready to explode, we gotta take it smart and  
take it slow

Angel, don't you have some bagels in my oven?  
Lady, don't you know a man when you see one?  
Crazy lady now, with the shiny shoes, where are you?  
Kick your feet and calm the space that makes you

hallow

Angel, don't you have some bagels? (Hallow)

Lady, don't you? (Hallow)

Angel (C?mon), don't you have some bagels? (Hallow)

Lady, don't you? (Bless you)
