It was an evening I shared with the sun to find out  
where we belong  
From the earliest days, we were dancing in the  
shadows  
More wine cuz I got to have it  
More skin cuz I got to eat it

Inside the outside, by the river  
Used to be so calm (So calm)  
Used to be so sane  
I rushed the lady's room  
Took the water from the toilet  
Washed her feet and blessed her name  
More peace is such a dirty habit

Slow down, we're too afraid  
Let me ride  
Let me ride  
Burn my eyes  
Let me ride

It was an evening I shared with the sun (Shared with the  
sun) to find out where we belong (Where we belong)  
(From the earliest days) From the earliest days (Earliest  
days)  
(We were dancing in the shadows) We were dancing in  
the shadows

Slow down, we're too afraid  
Let me ride  
Let me ride  
Burn my eyes  
Let me ride, let me ride, let me ride, let me ride, let me  
ride, let me ride, let me ride, let me ride
