I am not ok with this TV in my face  
And liar after liar with nothin' 'bout nothin' higher  
I am on the outside, peerin' into your world  
And all the boys and girls are singin'  
Save me, save me from the one who only rapes me  
Take away my TV  
Don't want your fuckin' recipe  
It's all decay, decay, decay, not today, today, today  
Take away my TV  
Don't want your fuckin' therapy  
It's all decay, decay, decay, not today, not today  
Oh no, oh no  
It's our world and I'm on fire (I'm on fire) with anger  
and desire (Anger and desire)  
I'm not the kind that they feed to me (The kind that they  
feed to me)  
With their emptiness and greed, greed, greed  
I am on the outside, peerin' into your world  
And all the boys and girls are singin'  
Save me, save me from the one who only rapes me  
Take away my TV  
Don't want your fuckin' therapy now  
It's all decay, decay, decay, not today, today, today  
Take away my TV  
Don't want your fuckin' therapy  
It's all decay, decay, decay, not today, not today  
I don't give a fuck what you say about me  
Everything you are is just a tool to me  
So just set up the mic and let me do my thing  
In the Consciousness of each and every sentient being  
Rainin' down like a thunderstorm into your mind  
Maybe not the first, the second or even the third time  
But eventually you won't be able to put me down  
You'll be havin' me with breakfast in your coffee  
grounds c'mon  
I am on the outside, peerin' into your world  
And all the boys and girls are singin'  
Save me, save me from the one who only rapes me, ah  
c'mon  
Take away my TV  
Don't want your fuckin' recipe

It's all decay, decay, decay, not today, today, today  
Take away my TV  
Don't want your fuckin' therapy  
It's all decay, decay, decay, not today, not today  
Oh no, oh no  
I am not ok (I am not ok), don't want your fuckin' recipe  
(I am not ok) Don't want your fuckin' therapy  
All decay, it's all decay (I am not ok)  
Take away, take away, take away, c'mon
