Let the world be the world  
Let the dream unfurl  
Let it run it's own game  
Let it dance with itself  
I didn't put it here  
Gonna let it ride  
Gotta master crazy on the other side  
Wakin' me up  
I ain't got no brains  
I can't trust my eyes  
What good's a beautiful day if you can't see the light?  
I can't find my fate  
Well, then I must be blind  
With the force and fire of love takin over my mind  
Wakin' me up  
Obligin' me to the sun  
Obligin' me to the sun

Sun, sun merciful one  
Sun, sun  
Sun, sun won't you lay down your light on us?  
Sun, sun  
Let the world be the world (Let the world be the world)  
Let the girl be the girl (Let the girl be the girl)  
Let her beauty move ya (Let her move ya)  
Let her dance be your guide (Let her dance)  
Let your hunger grow (Grow) but don't eat the fruit "too low" (Too low)  
Keep climbin' for the kisses on the other side  
Wakin' me up  
Obligin' me to the sun  
Obligin' me to the sun

Sun, sun merciful one  
Sun, sun  
Sun, sun won't you lay down your light on us?  
Sun, sun

All we need is to come into the sun  
We've laid in the dark for so long  
All I need (Let the world be the world), all we need (The

voice swearing is always gonna die), all I need, all we  
need

Sun, sun merciful one  
Sun, sun  
Sun, sun won't you lay down your light on us?  
Sun, sun  
Sun  
Sun, sun  
Sun

Sun, sun  
Sun  
Sun, sun  
Sun ('Till you die)  
Sun, sun  
Sun  
Sun, sun  
Sun ('Till you die)  
Sun, sun
