In the east they can meditate
They can recreate the sound of all (Recreate the sound
of all) and bring us home
I think I'll go there some day
Maybe for a holiday
Maybe just light a candle, take a seat for the ride (The
ride, the ride, the ride)

And you don't need no money to fly (Recreate the
sound of all),
To truly fly away (Recreate the sound of all)
And you don't need no car to truly, truly ride (Recreate
the sound of all),
To truly ride away (Recreate the sound of all)
In the west we think we're the best (Best)
We've shown the whole wide world that money is all we
care for, now
Someday the scientists will see there's no such thing as
gravity
They'll all just light a candle, take a seat for the ride
(Lets ride)

And you don't need no money to fly (Recreate the
sound of all),
To truly fly away (Recreate the sound of all)
And you don't need no car to truly, truly ride (Recreate
the sound of all),
To truly ride away (Recreate the sound of all)
As you ascend in silence, all doubt behind you
You reach the summit my friend and find your destiny

And you don't need no money to fly (Recreate the
sound of all),
To truly fly away (Recreate the sound of all)
And you don't need no car to truly, truly ride (Recreate
the sound of all),
To truly ride away (Recreate the sound of all)
And you don't need no money to fly (Recreate the
sound of all),
To truly fly away (Recreate the sound of all)
And you don't need no car to truly, truly ride (Recreate

the sound of all),
To truly ride away (Recreate the sound of all)
To truly ride away (Recreate the sound of all),
To truly ride away (Recreate the sound of all)
To truly ride (Recreate the sound of all),
To ride (Recreate the sound of all), oh yeah, to ride
