the world is burning down  
can't you smell the smoke in the air?  
war disease and famine  
this demon she is everywhere  
poets and preachers and politicians  
they've all had their say  
and we got 10 000 years  
devoted to nothing  
but tomorrow and yesterday  
if all of the ignorance in the world  
passed a second ago  
what would you say?  
who would you obey?  
I am here to say that  
peace is now  
mr. president  
I hereby pardon you of all your crimes  
for they are just as much mine  
selfishness and separation have led me  
to believe that the world is not my problem  
the world is not my problem  
I am the world  
and your are the world  
if all the ignorance in the world  
passed a second ago  
what would you say?  
who would you obey?  
I am here to say that  
peace is now
