my dear, sweet woman  
you're making me cry  
and I don't know why  
i need you tonight

like a hole in the universe  
like a walk in the rain  
like a rose that longs to die  
i need you tonight

'cause you're so beautiful, invisible  
beautiful, invisible, yeah

my dear, sweet woman  
you're making me cry  
and I don't know why  
it must be the ocean side of me

you're dangerous and you know  
you can kill me with a look  
make me with the glance from your eye  
but I need you tonight

'cause you're so beautiful, invisible  
beautiful, invisible  
beautiful, baby, invisible  
beautiful, invisible

don't drop the reigns  
every time it rains  
goddess, tramp or saint  
you have to wait  
yes, I will wait

you're so beautiful, invisible  
beautiful, invisible  
beautiful, baby, invisible  
beautiful, invisible, yeah
