Forever

Forever may not be long enough for my love
I have a will but I'm lost inside your time
If you could, would you come with me to the other side?

Forever may not be long enough
Forever may not be long enough
Forever may not be long enough for this life

Forever
Forever
Forever

This world is never enough
And I'm not giving it up
(Forever)
My faith in love is like blood
I spill it freely for some
(Forever)
My faith in love is like blood
It flows in everyone
(Forever)
Don't stop to look at the clock
Forever won't be long enough

Forever may not be long enough for you to know
Just how far I'd travel, just how far I would go
Open your heart and everything will be alright
Open your heart, baby, leave with me, don't be afraid

Forever

This world is never enough
And I'm not giving it up
(Forever)
My faith in love is like blood
I spill it freely for some
(Forever)
My faith in love is like blood
It flows in everyone
(Forever)

Don't stop to look at the clock
Forever won't be long enough

Forever may not be long enough for our love

Forever
Forever
Forever
Forever

Forever may not be long enough
(Forever)
Forever may not be long enough
(Forever)
Forever may not be long enough for our love
(Forever)

Forever may not be long enough
Forever may not be long enough
Forever may not be long enough for love
