if i was half alive  
then you were dead  
subsistin' on that same old bread

it's the memory that hides  
the whole wide world  
it's the gas hed's love of america

it's the memory that hides  
take your photographs back  
for the love of all gods  
our gas hed marches on  
our gas hed marches on

he's a bonified man  
a star amongst his clan  
and the only one that let me ride

it's the memory that dies  
our gas hed was right  
when they lanced his skill  
there was puss and light

it's the memory that dies  
so take your photographs back  
for the love of all gods  
our gas hed marches on  
our gas hed marches

it's the memory that dies  
so take your photographs back  
for the love of all gods  
our gas hed marches on  
our gas hed marches on

gas hed is on the radio, radio, radio
