Suddenly she came
Like a come that comes and goes
With a sweetness in her eyes
And a ring between her nose

Walking down the beach
We saw a castle made of pain
We went inside
Rings were exchanged
Heaven wore a shirt that said

I really, really, really love you
I really, really love you
Yeah, yeah

Suddenly it came into my mind
Not preconceived
A dream of many oceans
But not the God that I believed

But like the come that came and went
My mind just had to intercede
The need for repetition arose
Now heaven wears a shirt that says

I really, really, really got to have you
I really, really got to have you
I really, really, really, really
Really got to have you

Oh yeah, yeah, yeah
I really, really love you
I really, really love you
I really, really love you
I

Suddenly she came
Like a come that comes and goes
With a sweetness in her eyes
And a ring between her nose

Walking down the beach

We saw a castle made of pain
We went inside
Rings were exchanged
Heaven wore a shirt that said

I really love you
I, I, I really, really, really, really
Really love you, yeah
Really, really love you
I, I, I

Heaven wore a shirt that said
Heaven wore a shirt that said
Heaven wore a shirt that said
Heaven wore a shirt that said

I really love you
I really love you
I really love you
Oh yes

Heaven
Shirt
Wore
I
