Suddenly she came
And like the come that comes and goes
With a sweetness in her eyes
And a ring between her nose

Walkin down the beach
We saw a castle made of pain
We went inside
Rings were exchanged

Now heaven wore a shirt
That said I
Really really really love you
I really really love you

Yeah yeah

Suddenly it came
Into my mind
Not preconceived
A dream of many oceans
But like the God
That I believe

But like the come that came and went
My mind just had to intercede
The need for repetition arose

Now heaven wears a shirt
That says I
Really really really got to have you yeah
I really really got to have you
I really really really really really got to have you
Oh yeah yeah yeah ah ah ah ah

I really really love you
I really really love you
I really really love you
I ay yeah

Suddenly she came
And like the come that comes and goes

With a sweetness in her eyes
And a ring between her nose

Walkin down the beach
We saw a castle made of pain
We went inside
Rings were exchanged

Now heaven wore a shirt
That said I really love you yeah ah
I really really really really love you
Yeah
Really
Really love you

Heaven wore a shirt that said
Heaven wore a shirt that said
Heaven wore a shirt that said
I really love you
I really love you
I really love you
Oh yeah ha ha

Heaven
Shirt
Wore
Ahhh
